आदेश

नई दिल्ली, 12 अक्टूबर, 1998

का.आ. 2073.—चूंकि संयुक्त सचिव भारत सरकार जिसको स्वापक औषध तथा मनःप्रभावी पदार्थ अधिनियम, 1988 के अवैध व्यापार की रोकथाम के लिये खंड 3 के उपखंड (1) के अधीन विशेष रूप से शक्ति है, ने उक्त उपखंड के अन्तर्गत दिनांक 5-6-98 को फा.सं. 801/6/98-पिट एन डी पी एस के अधीन आदेश जारी करके निदेश दिया था कि श्री मोहम्मद अहसान सुपुत्र श्री अब्दुल रहीम छीपा, निवासी म. नं. 49, छतरीपरा, इन्दौर (मध्य प्रदेश) को स्वापक औषधों के क्रय, स्वामित्व, छिपाने तथा अवैध व्यापार से दूर रखने के लिये केन्द्रीय कारागार, इन्दौर (मध्य प्रदेश) में हिरासत में रखा जाये।

2. चूंकि, केन्द्रीय सरकार यह समझती है कि उपर्युक्त व्यक्ति फरार है या स्वयं को छिपा रहा है जिसके कारण आदेश का पालन नहीं हो सका है।

3. अब, उक्त अधिनियम की धारा 8 की उपधारा (1) के क्लॉज (बी) में प्रदत्त शक्तियों का प्रयोग करते हुए, केन्द्र सरकार सरकारी राजपत्र में इस आदेश के प्रकाशन के 10 दिनों के भीतर उपर्युक्त व्यक्ति को अधीक्षक (कार्यपालक), केन्द्रीय स्वापक ब्यूरो, सी.जी.ओ. काम्प्लेक्स शिवाजी चौराहा, इन्दौर मध्य प्रदेश के समक्ष उपस्थित होने का निदेश देती है।

ORDER

New Delhi, the 12th October, 1998

S.O. 2073.—Whereas the Joint Secretary to the Government of India, specially empowered under sub-section (1) of Section 3 of the Prevention of Illicit Traffic in Narcotic Drugs and Psychotropic Substances Act, 1988 issued order F. No. 801/6/98-PITNDPS dated 5-6-98 under the said sub-section directing that Shri Mohd. Ahsan S/o Shri Abdul Rahim Chhipa, resident of House No. 49, Chhatrapur, Indore (Madhya Pradesh) be detained and kept in custody in the Central Jail, Indore (M.P.) with a view to preventing him from engaging in the purchase, possession, concealment, and illicit trafficking of narcotic drugs.

2. Whereas the Central Government has reason to believe that the aforesaid person has absconded or is concealing himself so that the order cannot be executed;

3. Now, therefore, in exercise of powers conferred by clause (b) of sub-section (1) of Section 8 of the said Act, the Central Government hereby directs the aforesaid person to appear before the Superintendent (Executive) Central Bureau of Narcotics, C.G.O. Complex, Shivaji Chauraha, Indore (Madhya Pradesh) within 10 days of the publication of this order in the Official Gazette.

खाद्य और उपभोक्ता मामले मंत्रालय

(उपभोक्ता मामले विभाग)

नई दिल्ली, 14 अक्टूबर, 1998

का. आ. 2090.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल (नीचे दी गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि वह लगातार प्रयोग की अवधि में यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा देता रहेगा;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, (मध्यम)यथार्थता वर्ग III की डब्ल्यू ई टी सीरीज टाइप के "साफिर" ब्रांड नाम वाले स्वतः सूचक गैर-स्वचालित इलेक्ट्रॉनिक टेबल टॉप तोलन उपकरण के माडल का (जिसे इसमें इसके पश्चात् माडल कहा गया है) जिसका विनिर्माण मैसर्स वेल वर्थ इलेक्ट्रॉनिक्स, बथूला हाऊस, 19, डा. रामनाथन रोड, सालेम-636001 द्वारा किया गया है और जिसे अनुमोदन चिह्न आई.एन.डी. 09/96/60 समनुदेशित किया गया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है;

माडल (आकृति देखिए) एक मध्यम यथार्थता (यथार्थता वर्ग III) का तोलन उपकरण है जिसकी अधिकतम क्षमता 5 किलोग्राम और न्यूनतम क्षमता 20 ग्राम है। सत्यापन मापमान अन्तर (ई) 2 ग्राम है। इसमें एक टेयर युक्ति है जिसका व्यकलनात्मक प्रतिधारण टेयर प्रभाव 100 प्रतिशत है। भारग्राही आयताकार सेक्शन का है जिसका आकार 190 × 250 मि.मी. है। 12.5 मि. मी. सात खंड प्रकाश उत्सर्जन डायोड संप्रदर्श तोल परिणाम उपदर्शित करता है। यह उपकरण 230 वोल्ट, 50 हर्टज के प्रत्यावर्ती धारा विद्युत प्रदाय पर प्रचालित होता है।

आकृति

इसके अतिरिक्त केन्द्रीय सरकार, उक्त धारा की उपधारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, घोषित करती है कि उक्त माडल के अनुमोदन प्रमाणपत्र के अन्तर्गत इसी विनिर्माता द्वारा उसी सिद्धांत, डिजाइन और सामग्री जिससे अनुमोदित माडल का विनिर्माण किया गया है, के अनुसार विनिर्मित इसी शृंखला के समरूप मेक, शुद्धता और निष्पादन वाले अधिकतम क्षमता वाले तुलन यंत्र भी हैं जिनके सत्यापन मापमान अंतराल की अधिकतम सं. (एन) 10,000 से कम या समतुल्य है (एन ≤ 10,000) और जिनका "ई" मूल्य 1, 2, 5 शृंखला का है।

MINISTRY OF FOOD AND CONSUMER AFFAIRS**(Department of Consumer Affairs)**

New Delhi, the 14th October, 1998

S.O. 2090 .—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model (figure below) described in the said report is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-sections (7) and (8) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating non-automatic electronic table top weighing instrument of type WET series of class III (Medium) accuracy with brand name "SAPHIRE" (hereinafter referred to as the model) manufactured by M/s Wel Worth Electronics, Bathula House, 19, Dr. Ramnathan Road, Salem-636001, and which is assigned the approval mark IND/09/96/60;

The Model (see figure) is a medium accuracy (accuracy class III) weighing instrument with a maximum capacity of 5 kg and minimum capacity of 20 g. The verification scale interval (e) is 1 gram. It has a tare device with a 100 per cent subtractive retained tare effect. The load receptor is of rectangular section of size 190 × 250 millimetres. The 12.5 mm seven segment LED display indicates the weighing result. The instrument operates on 230 volt, 50 Hertz alternate current power supply;

Further, in exercise of the powers conferred by sub-section (12) of the said section, the Central Government hereby declares that this certificate of approval of the model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum number of scale divisions (n) equal to or less than ten thousand ($n \leq 10,000$) and with 'e' value of 1, 2, 5 series, manufactured by the same manufacturer in accordance with the same principle and with the same materials with which, the approved model has been manufactured.

[F. No. WM-21 (10)/96]

P. A. KRISHNAMOORTHY, Director, Legal Metrology

नई दिल्ली, 14 अक्टूबर, 1998

का. आ. 2091.—केन्द्रीय सरकार का विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट (नीचे दी गई आकृति देखें) पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि वह लगातार प्रयोग की अवधि में यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा देता रहेगा;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, (मध्यम) यथार्थता वर्ग 3 की डब्ल्यू ई बी सीरीज टाइप के "साफिर" ब्रांड नाम वाले स्वतः सूचक गैर-स्वचालित इलेक्ट्रॉनिक बेंच टाप तोलन उपकरण के माडल का (जिसे इसमें इसके पश्चात् माडल कहा गया है) जिसका विनिर्माण मैसर्स वेल वर्थ इलेक्ट्रॉनिक्स, बथूला हाऊस, डा. रामनाथन रोड, सालेम-636001 द्वारा किया गया है और जिसे अनुमोदन विहिन आई.एन.डी. 09/96/61 समनुदिष्ट किया गया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है:

आकृति

माडल (आकृति देखिए) एक मध्यम यथार्थता (यथार्थता वर्ग 3) का तोलन उपकरण है जिसकी अधिकतम क्षमता 50 किलोग्राम और न्यूनतम क्षमता 200 ग्राम है। सत्यापन मापमान अन्तर (ई) 10 ग्राम है। इसमें एक टेयर युक्ति है जिसका व्यकलनात्मक प्रतिधारण टेयर प्रभाव 100 प्रतिशत है। भारग्राही आयताकार सेक्शन का है जिसका आकार 500 × 600 मि.मी. है। 12.5 मि. मी. सात खंड प्रकाश उत्सर्जन डायोड संप्रदर्श तोलन परिणाम उपदर्शित करता है। यह उपकरण 230 वोल्ट, 50 हर्टज के प्रत्यावर्ती धारा विद्युत प्रदाय पर प्रचालित होता है।

इसके अतिरिक्त केन्द्रीय सरकार, उक्त धारा की उपधारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, घोषित करती है कि उक्त माडल के अनुमोदन प्रमाणपत्र के अन्तर्गत इसी विनिर्माता द्वारा उसी सिद्धांत, डिजाइन और सामग्री जिससे अनुमोदित माडल का विनिर्माण किया गया है, के अनुसार विनिर्मित इसी शृंखला के समरूप मेक शुद्धता और निष्पादन वाले अधिकतम क्षमता वाले तुलन यंत्र भी हैं जिनके सत्यापन मापमान अंतराल की अधिकतम सं. (एन) 10,000 से कम या समतुल्य है (एन ≤ 10,000) और जिनका ई मूल्य 1, 2, 5 श्रंखला का है।

New Delhi, the 14th October, 1998

S.O. 2091.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below), is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) and (8) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating non-automatic electronic bench top weighing instrument of type WEB series of Class II (High) accuracy with brand name "SAPHIRE" (hereinafter referred to as the model) manufactured by M/s. Wel Worth Electronics, Bathula House, 19, Dr. Ramanathan Road, Salem-636001, and which is assigned the approval mark IND/09/96/61;

The Model (see figure) is a high accuracy (accuracy Class II) weighing instrument with a maximum capacity of 24 kg and minimum capacity of 100 g. The verification scale interval (e) is 2 grams. It has a tare device with a 100 per cent subtractive retained tare effect. The load receptor is of square section of size 300 x 300 millimetres. The 12.5 mm seven segment LED display indicates the weighing result. The instrument operates on 230volt, 50 Hertz alternate current power supply;

Further, in exercise of the powers conferred by sub-section (12) of the said section, the Central Government hereby declares that this certificate of approval of the model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum number of scale divisions (n) equal to or less than one lakh ($n \leq 100,000$) and with 'c' value of 1, 2, 5 series, manufactured by the same manufacturer in accordance with the same principle and with the same materials with which, the approved model has been manufactured.

नई दिल्ली, 14 अक्टूबर, 1998

का. आ. 2093.—केन्द्रीय सरकार का विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल (नीचे दी गई आकृति देखिए) बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि वह लगातार प्रयोग की अवधि में यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा देता रहेगा;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यथार्थता (मध्यम यथार्थता) वर्ग 3 की "बी पी सी-डी डब्ल्यू एस" सिरीज टाइप के और "विनिल" ब्रांड नाम वाले स्वतः सूक्ष्म गैर-स्वचालित इलेक्ट्रॉनिक प्रसुप्त स्केल तोलन मशीन के माडल का (जिसे इसमें इसके पश्चात् माडल कहा गया है) विनिर्माण मैसर्स विनिल प्रोसेस कंट्रोलस प्रा. लि., बी-6, भूमितल, एस टी सी सोसाइटी, प्रोफेसर फडके मार्ग, अंधेरी (पू.) मुम्बई-400069 द्वारा किया गया है और जिसे अनुमोदन चिह्न आई.एन.डी. 09/97/95 समनुदेशित किया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है ;

उक्त माडल एक मध्यम यथार्थता (यथार्थता वर्ग 3) का तोलन उपकरण है जिसकी अधिकतम क्षमता 2000 किलोग्राम और न्यूनतम क्षमता 20 कि. ग्राम है। सत्यापन मापमान अन्तर (ई) 1 कि. ग्राम है। इसमें एक टेयर युक्त है जिसका व्यकलनात्मक प्रतिधारण टेयर प्रभाव 100 प्रतिशत है। भारग्राही वर्गाकार सैक्शन का है जिसकी भुजाएं 1.2×1.2 मी. है। प्रकाश उत्सर्जन डायोड संप्रदर्श तोल परिणाम उपदर्शित करता है। यह उपकरण 230 वोल्ट, और आवृत्ति 50 हर्ट्ज के प्रत्यावर्ती धारा विद्युत प्रदाय पर प्रचालित होता है।

(आकृति)

आगे, केन्द्रीय सरकार, उक्त धारा की उपधारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह घोषणा करती है कि माडल के अनुमोदन इस प्रमाणपत्र के अन्तर्गत उसी विनिर्माता द्वारा उसी सिद्धान्त के अनुसार और उसी सामग्री से, जिससे अनुमोदित माडल का विनिर्माण किया गया है, विनिर्मित 500 कि.ग्रा/100 ग्रा., 750 कि. ग्रा./500 ग्रा., 1ट/1 कि. ग्रा., 3ट/1कि. ग्रा. और 4ट/1 कि. ग्रा. की अधिकतम क्षमता वाले समरूप मेक, यथार्थता और उसी सिरीज के कार्यकरण वाले तोलन उपकरण भी है।

New Delhi, the 14th October. 1998

S.O. 2093.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating non-automatic electronic dormant scale weighing machine of type "VPC-DWS" series of class III accuracy (medium accuracy) and with brand name "VINIL" (hereinafter referred to as the model) manufactured by M/s Vinil Process Controls Pvt. Ltd., B-6, Ground Floor, STC Society, Prof. Phadke Marg, Andheri (E), Mumbai-400069, and which is assigned the approval mark IND/09/97/95;

The said Model is a medium accuracy (accuracy class III) weighing instrument with a maximum capacity of 2000 kg and minimum capacity of 20 kg. The verification scale interval (e) is 1 kg. It has a tare device with a 100 per cent subtractive retained tare effect. The load receptor is of square section of sides 1.2×1.2 metre. The light emitting diode display indicates the weighing result. The instrument operates on 230 volt, and frequency 50 Hertz alternate current power supply.

(Figure)

Further, in exercise of the powers conferred by sub-section (12) of the said section, the Central Government hereby declares that this certificate of approval of the model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum capacity of 500kg/100g, 750kg/500g, 1t/1kg, 3t/1kg and 4t/1kg manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

P. A. KRISHNAMOORTHY, Director, Legal Metrology

नई दिल्ली, 14 अक्टूबर, 1998

का. आ. 2094.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल (नीचे दी गई आकृति देखिए) बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना यह है कि वह लगातार प्रयोग की अवधि में यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा देता रहेगा;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यथार्थता (मध्यम यथार्थता) वर्ग 3 की "पी पी सी-डब्ल्यू एम" सिरोज टाइप के और "विनिल" ब्रांड नाम वाले स्वतःसूचक गैर-स्वचालित इलेक्ट्रॉनिक प्लेट फार्म तोलन मशीन के माडल का (जिसे इसमें इसके पश्चात् माडल कहा गया है) जिसका विनिर्माण मैसर्स विनिल प्रोसेस कन्ट्रोल्स प्रा.लि., बी-6, भूमितल, एस टी सी सोसाइटी, प्रोफेसर फड़के मार्ग, अंधेरी (पू.) मुंबई-400069 द्वारा किया गया है और जिसे अनुमोदन चिह्न आई.एन.डी./09/97/97 समनुदेशित किया गया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है।

उक्त माडल एक मध्यम यथार्थता (यथार्थता वर्ग 3) का तोलन उपकरण है जिसकी अधिकतम क्षमता 200 किलोग्राम और न्यूनतम क्षमता 1 कि. ग्राम है। स्थापना मापमान अन्तर (ई) 50 ग्राम है। इसमें एक टेयर युक्ति है जिसका व्यकलनात्मक प्रतिधारण टेयर प्रभाव 100 प्रतिशत है। भारग्राही वर्गाकार सैक्शन का है जिसकी भुजाएं 600×600 मि.मी. हैं। प्रकाश उत्सर्जन डायोड संप्रदर्श तोल परिणाम उपदर्शित करता है। यह उपकरण 230 वोल्ट और आवृत्ति 50 हर्ट्ज के प्रत्यावर्ती धारा विद्युत प्रदाय पर प्रचालित होता है।

(आकृति)

आगे, केन्द्रीय सरकार, उक्त धारा की उपधारा (2) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह घोषणा करती है कि माडल के अनुमोदन के इस प्रमाणपत्र के अंतर्गत उसी विनिर्माता द्वारा उमी सिद्घांत डिजाइन के अनुसार और उसी सामग्री से, जिससे अनुमोदित माडल का विनिर्माण किया गया है विनिर्मित 50 कि.ग्रा./10ग्राम, 100कि.ग्रा./20 ग्राम, 300 कि.ग्रा./50ग्राम, 750 कि.ग्रा./500ग्राम, 1ट/1 कि.ग्रा., 2ट/1 कि.ग्रा., 3ट/1 कि.ग्रा. और 4ट/1 कि.ग्रा. की अधिकतम क्षमता वाले समरूप मेक, यथार्थता और उमी सिरोज के कार्यक्रमण वाले तोलन उपकरण भी हैं।

[फा. सं. डब्ल्यू एम-21 (13)/96]

पी.ए. कृष्णामूर्ति, निदेशक, विधिक माप विज्ञान

New Delhi, the 14th October, 1998

S.O. 2094.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below), is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating, non-automatic, electronic platform weighing machine of type 'VPC-WS' series of class III accuracy (medium accuracy) and with brand name 'VINIL' (hereinafter referred to as the Model) manufactured by M/s Vinil process Controls Pvt. Ltd., B-6, Ground Floor, STC Society, Prof Phadke Marg, Andheri (E), Mumbai-400 069, and which is assigned the approval mark IND/09/97/97;

The said Model is a medium (accuracy class III) weighing instrument with a maximum capacity of 200kg and minimum capacity of 1kg. The verification scale interval (e) is 50g. It has a tare device with a 100 percent subtractive retained tare effect. The load receptor is of square section of sides 600×600 millimetre. The light emitting diode display indicated the weighing result. The instrument operates on 230 volts and frequency 50 Hertz, alternate current power supply.

(figure)

Further, in exercise of the powers conferred by sub-section (2) of the said section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum capacity of 50kg/10g, 100kg/20g, 300kg/50g, 750kg/500g, 1t/1kg, 2t/1kg, 3t/1kg and 4t/1kg manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

[F. No. WM-21 (13)/96]

P. A. KRISHNAMOORTHY, Director, Legal Metrology

नई दिल्ली, 14 अक्टूबर, 1998

का. आ. 2095.—केन्द्रीय सरकार का विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल (नीचे दी गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप हैं और इस बात की संभावना है कि वह लगातार प्रयोग की अवधि में यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा देता रहेगा;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यथार्थता (मध्यम यथार्थता) वर्ग 3 की "वी पी सी-डब्ल्यू बी सी" सिरिज टाइप के और "विनिल" ब्रांड नाम वाले यांत्रिक तुला चौकियों को अंकीय संप्रदर्श वाली मशीनों में रूपांतरण करने के लिए स्वतः-सूचक गैर-स्वचालित इलेक्ट्रॉनिक रूपांतरण किट के माडल का (जिसे इसमें इसके पश्चात् माडल कहा गया है) जिसका विनिर्माण मैसर्स विनिल प्रोमेस कन्ट्रोल्स प्रा. लि. बी-6 भूमितल, एस टी सी सोसाइटी, प्रोफेसर फडके मार्ग, अंधेरी (पू) मुंबई-400069 द्वारा किया गया है और जिसे अनुमोदन चिह्न आई.एन.डी./09/97/96 समनुदेशित किया गया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है।

उक्त माडल एक मध्यम यथार्थता (यथार्थता वर्ग 3) की एक यांत्रिक मशीन से संलग्न था जिसकी अधिकतम क्षमता 20 टन और न्यूनतम क्षमता 100 कि.ग्राम थी। मत्यापन मापमान अन्तर (ई) 5 कि. ग्रा. था। इसमें एक टेयर युक्त थी जिसका व्यकलनात्मक प्रतिधारण टेयर प्रभाव 100 प्रतिशत था। भारग्राही आयताकार सैक्शन का है जिसकी भुजाएं 6×3 मी. हैं। प्रकाश उत्पन्न डायोड संप्रदर्श तोल परिणाम उपदर्शित करता है। यह उपकरण 230 वोल्ट और आवृत्ति 50 हर्ट्ज के प्रत्यावर्ती धारा विद्युत प्रदाय पर प्रचालित होता है।

(आकृति)

आगे, केन्द्रीय सरकार, उक्त धारा की उपधारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह घोषणा करती है कि माडल के अनुमोदन के इस प्रमाण-पत्र के अंतर्गत उसी विनिर्माता द्वारा उसी सिद्धांत डिजाइन के अनुसार और उसी सामग्री से, जिससे अनुमोदित माडल का विनिर्माण किया गया है विनिर्मित 5ट/1 कि.ग्रा., 10ट/5कि.ग्रा., 15ट/5कि.ग्रा., 25ट/5कि. ग्रा., 30ट/5 कि.ग्रा., 40ट/10कि.ग्रा., 50ट/20 कि.ग्रा., 60ट/20कि.ग्रा., और 100ट/ 50 कि.ग्रा. की अधिकतम क्षमता वाले समरूप मेक, यथार्थता और उसी सिरिज के कार्यकरण वाले तोलन उपकरण भी हैं।

[फा. सं. डब्ल्यू एम-21 (13)/96]

पी.ए. कृष्णामूर्ति, निदेशक, विधिक माप विज्ञान

New Delhi, the 14th October, 1998

S.O. 2095.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below), is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating, non-automatic, electronic conversion kit for converting mechanical weighbridges into machines with digital display of type "VPC-WBC" series of class III accuracy (medium accuracy) and with brand name "VINIL" (hereinafter referred to as the Model) manufactured by M/s Vinil Process Controls Pvt. Ltd., B-6, Ground Floor, STC Society, Prof. Phadke Marg, Andheri (E), Mumbai-400 069, and which is assigned the approval mark IND/09/97/96;

The said Model is attached to a mechanical machine of a medium accuracy (accuracy class III) with a maximum capacity of 20 tonne and minimum capacity of 100kg. The verification scale interval (e) was 5kg. It had a tare device with a 100 percent subtractive retained tare effect. The load receptor is of rectangular section of sides 6x 3 metre. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and frequency 50 Hertz, alternate current power supply.

(Figure)

Further, in exercise of the powers conferred by sub-section (12) of the said section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum capacity of 5t/1kg, 10t/5kg, 15t/5kg, 25t/5kg, 30t/5kg, 40t/10kg, 50t/20kg, 60t/20kg and 100t/50kg manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

[F. No. WM-21 (13)/96]

P. A. KRISHNAMOORTHY, Director, Legal Metrology

नई दिल्ली, 14 अक्टूबर, 1998

का. आ. 2096.—केन्द्रीय सरकार का विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल (नीचे दी गई आकृति देखिए) बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि यह लगातार प्रयोग की अवधि में यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा देता रहेगा;

अतः केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यथार्थता (मध्यम यथार्थता) वर्ग 3 की "बी पी सी-डब्ल्यू बी" मिरीज टाइप के और "विनिल" ब्रांड नाम वाले स्वतःसूचक गैर-स्वचालित इलेक्ट्रॉनिक तुला चौकी माडल का (जिसे इसमें इसके पश्चात् माडल कहा गया है) विनिर्माण मैसर्स विनिल प्रोसेस कन्ट्रॉल्स प्रा. लि. बी-6 भूमि तल, एम टी सी मोसाइटी प्रोफेसर फडके मार्ग, अंधेरी (पू.) मुंबई-400069 द्वारा किया गया है और जिसे अनुमोदन छिह्न आई.एन.डी./09/97/98 समनुदेशित किया गया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है।

उक्त माडल एक मध्यम यथार्थता (यथार्थता वर्ग 3) का तोलन उपकरण है जिसकी अधिकतम क्षमता 30 टन और न्यूनतम क्षमता 100 कि.ग्राम है। सत्यापन मापमान अन्तर (ई) 5 कि. ग्राम है। इसमें एक टेयर युक्ति है जिसका व्यक्लनात्मक प्रतिधारण टेयर प्रभाव 100 प्रतिशत है। भारग्राही आयताकार सैक्शन का है जिसकी भुजाएं 9×3 मी. हैं। प्रकाशउत्सर्जन डायोड संप्रदर्श तोल परिणाम उपदर्शित करता है। यह उपकरण 230 वोल्ट और आवृत्ति 50 हार्टज के प्रत्यावर्ती धारा विद्युत प्रदाय पर प्रचालित होता है।

(आकृति)

आगे, केन्द्रीय सरकार, उक्त धारा की उपधारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह घोषण करती है कि माडल के अनुमोदन के इस प्रमाणपत्र के अंतर्गत उसी विनिर्माता द्वारा उसी सिद्धान्त डिजाइन के अनुसार और उसी सामग्री से, जिससे अनुमोदित माडल का विनिर्माण किया गया है विनिर्मित 10ट/5 कि.ग्रा. 15ट/5 कि.ग्रा. 20ट/5 कि.ग्रा. 40ट/10 कि.ग्रा. 50ट/20 कि.ग्रा. 60ट/20 कि.ग्रा., और 100ट/50कि.ग्रा. की अधिकतम क्षमता वाले समरूप मेक, यथार्थता और उसी सिरीज के कार्यकरण वाले तोलन उपकरण भी हैं।

पी. ए. कृष्णामूर्ति, निदेशक, विधिक माप विज्ञान

New Delhi, the 14th October, 1998

S.O. 2096.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below), is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weight and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions,

Now, therefore, in exercise of the powers conferred by sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating, non-automatic, electronic weighbridge of type "VPC-WB" series of class III accuracy (medium accuracy) and with brand name "VINIL" (hereinafter referred to as the Model) manufactured by M/s Vinil process Controls Pvt Ltd, B-6, Ground Floor, STC Society, Prof. Phadke Marg, Andheri (E) Mumbai-400 069, and which is assigned the approval mark IND/09/97/98;

The said Model is a medium accuracy (accuracy class III) weighing instrument with a maximum capacity of 30 tonne and minimum capacity of 100kg. The verification scale interval (e) is 5kg. It has a tare device with a 100 per cent subtractive retained tare effect. The load receptor is of rectangular section of sides 9x3 metre. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and frequency 50 Hertz, alternate current power supply.

(Figure)

Further, in exercise of the powers conferred by sub-section (12) of the said section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum capacity of 10t/5kg, 15t/5kg, 20t/5kg, 40t/10kg, 50t/20kg, 60t/20kg and 100t/50kg manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

का. आ. 2097.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत की गई रिपोर्ट पर विचार करने के पश्चात्, समाधान हो गया है कि उक्त रिपोर्ट में वर्णित माडल (नीचे दी गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (माडल का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और संभावना यह है कि अविरत उपयोग की अवधि में उक्त माडल यथार्थता बनाए रखेगा और परिवर्तित दशाओं में उपयुक्त सेवा देता रहेगा:

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उप धारा (3) के तीसरे परन्तुक के साथ पठित उस धारा की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, तरल के सीधे प्रवाह द्रव्यमान मापन के लिए सी एफ़ एस 18 सीरीज के प्रवाह द्रव्यमान मीटर के माडल का जिसका विनिर्माण मैसर्स फोक्सबोरो कंपनी 38, नेपोनसेट एवेन्यू, फोक्सबोरो एम ए (2035, संयुक्त राज्य अमेरिका द्वारा किया गया है जिसका भारत में विक्रय मैसर्स सीबे इंडिया प्राइवेट लिमिटेड एम सी एम/फोक्सबोरो डिवि.), 1, डाक्टर लेन गोल मार्किट, नई दिल्ली-110001 द्वारा किया गया है और जिसे अनुमोदन चिह्न एन.डी./13/98/17 समनुदेशित किया गया है, अनुमोदन प्रमाण पत्र प्रकाशित करती है।

(आकृति)

तरल के सीधे प्रवाह द्रव्यमान मापन के लिए सी एफ़ एस 10 सीरीज के प्रवाह द्रव्यमान मीटर का माडल (ऊपर आकृति में दिया गया है) है। मशीन के तकनीकी खूबों निम्नलिखित हैं:—

विनिर्माता	: मैसर्स फोक्सबोरो कंपनी 38, नेपोनसेट एवेन्यू, फोक्सबोरो एम ए 02035, संयुक्त राज्य अमेरिका।
उपकरण का नाम	: प्रवाह द्रव्यमान मीटर
प्रकार	: सी एफ़ एस 10 सीरीज
द्रव्यमान मीटर माडल	: प्रवाह नली
संख्या	: आकार (एम एम)
सी एफ़ एस 10-03	6
सी एफ़ एस 10-05	15
सी एफ़ एस 10-08	20
	प्रवाह दर (कि.ग्रा./मिलियन)
	.09 से 9
	.4 से 40
	.9 से 90

New Delhi, the 15th October, 1998

S.O. 2097.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below), is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weight and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) of section 36 read with third provision to sub-section (3) of that section of the said Act, the Central Government hereby publishes the certificate of approval of the Model of Mass Flow Meter of CFS 10 Series for direct mass flow measurement of fluid, manufactured by M/s. Foxboro Company 38, Neponset Avenue, Foxboro MA 02035, USA and sold in India by the M/s Siebe India Private Ltd (SCS Foxboro Div.), 1, Doctors Lane, Golc Market, New Delhi-110001 and which assigned the approval mark IND/13/98/17;

(figure)

The Model (given in the figure) is a mass flow meter CFS 10 Series for direct mass flow measurement of fluid.

The Technical features of the same are as follows

Manufacturer	:	M/s Foxboro Company 38, Neponset Avenue, Foxboro MA 02035, USA	
Name of the instrument	:	Mass Flow Meter	
Type	:	CFS 10 Series	
Flow Meter Model number	:	Flow Tube Size (mm)	Flow Rate(kg/mm)
CFS 10-03	:	6	.09 to 9
CFS 10-05	:	15	.4 to 40
CFS 10-08	:	20	.9 to 90

MINISTRY OF LABOUR

New Delhi, the 28th September, 1998

S.O. 2099.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Calcutta as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Calcutta Telephones, D/o Telecom., Calcutta and their workman, which was received by the Central Government on 28-9-1998.

[No. L-40012/92/91-IR (DU)]
K. V. B. UNNY, Desk Officer

ANNEXURE

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL
AT CALCUTTA

Reference No. 33 of 1991

PARTIES :

Employers in relation to the management of Calcutta
Telephones

AND

Their workman.

PRESENT :

Mr. Justice A. K. Chakravarty, Presiding Officer.

APPEARANCE :

On behalf of Management—Mr. T. Chowdhury, Advocate.

On behalf of Workman—Mr. M. S. Dutta, Advocate.

STATE : West Bengal INDUSTRY : Telephones

AWARD

By Order No. L-40012/92/91-IR (DU) dated 7-11-1991 the Central Government in exercise of its powers under Section 10(1)(d) and (2-A) of the Industrial Disputes Act, 1947 referred the following dispute to this Tribunal for adjudication :

"Whether the action of the management of Calcutta Telephones, Deptt. of Telecommunication, Taher Mansion, 8 Bentick Street, Calcutta, in terminating Shri Jaharlal Das, Casual Workman, w.e.f. 1-1-89 is legal and justified? If not, to what relief the workman is entitled to?"

2. Instant reference has arisen at the instance of Jaharlal Das, a casual worker of Calcutta Telephones for alleged wrongful termination of his service.

3. Workman's case, in short, is that though he was appointed as a casual workman with effect from 1-2-1987 in a permanent vacancy for underground cable maintenance work and was posted in 26-27 Exchange (External) and though he was working continuously since then, still the management of Calcutta Telephones terminated his service

from 1-1-1989 without assigning any reason whatsoever. He made several representations to the management thereafter for his reinstatement without any effect. An industrial dispute was thereafter raised by the workman on 18-3-1991. No conciliation being possible the matter was referred to the Central Government which sent this matter to this Tribunal for adjudication. The workman has alleged that termination of his service being retrenchment under Section 2(oo) of the Industrial Disputes Act, 1947 (in short the Act) it is void as no compliance was made to the requirements of Section 25-F of the Act before termination of his service as he had rendered more than 240 days of service in each year of his employment in 1987 and 1988. The workman has accordingly prayed for a finding from this Tribunal that the retrenchment is invalid, inoperative and void and an order for reinstating him in service with full back wages.

4. The allegations of the management of Calcutta Telephones in its written statement, in short, are that the concerned workman was engaged in the work as a casual labour for only 93 days from 9-2-1987 to 31-5-1987 on regular intervals of days of work during the months of February to May, 1987. It is further alleged that the concerned workman was engaged on casual basis for serving a particular purpose and on completion of such purpose his service was terminated. The management thus denied that he had worked for 240 days in any year as alleged by the concerned workman. In respect of the xerox copy workman, it was alleged that it is an incorrect inter-departmental document annexed to the written statement of the mental document and is not a certificate issued in favour of any individual casual workman mentioned there. The management accordingly prayed for dismissal of the workman's case.

5. The workman in his rejoinder denied the allegations of the management and alleged that if the management produces the attendance register, muster-roll, wage payment vouchers/registers under ACG-17 for the year 1988 these would have proved that he had worked for more than 240 days in 1988. The workman also vehemently denied that he worked for only 93 days as alleged by the management and reiterated his claim that he worked for 266 days in 1987. Rest of the allegations of the rejoinder are mere repetition of his written statement.

6. Heard Mr. T. Chowdhury, learned Advocate appearing for the management and Mr. M. S. Dutta, learned Advocate appearing for the workman.

7. Both sides have produced number of documents and while the workman only examined himself, the management examined three witnesses on its behalf.

8. The principal document upon which the workman relies in support of his case that he worked for 266 days in 1987 and 244 days in 1988 is the document which is marked Ext. W-1 in this case. According to the workman it is a certificate. While according to the management it is an incorrect inter-departmental document. No doubt it is true that Ext. W-1 is not a certificate issued in favour of any particular workman. It is a statement containing particulars of casual workman engaged after 30-3-1985. It is dated 5-4-1990 and signed by Mr. A. K. Bhattacharjee, S.D.O.P. 26/27 Exchange. Mr. Chowdhury, learned Advocate for the management submitted with all force at his command that Ext. W-1 being the xerox copy of the document should not have been marked an exhibit and even if for any reason it was marked an exhibit, the Tribunal should not place any reliance on the same. In support of his contention he referred to the Divisions Bench Decision of the Calcutta High Court in the case of State of West Bengal v. Arun Kumar Basu, reported in Calcutta Law Times 1993 (2) HC 56 where in respect of admissibility of the xerox copy of the judgement it was held that "We are unable to accept the contention put forth by Mr. Kundu, as Xerox copy is not admissible in evidence. Section 63 of the Evidence Act, 1972 is very much alive. Its aim and object is to prevent admissibility of a document which does not come within the fold of Section 63 of the Evidence Act, 1872."

9. It is no doubt true that objection was taken on behalf of the management at the initial stage and the document was marked as an exhibit with objection. It appears from record that an application was filed on behalf of the work-

man for production of certain documents, namely, muster-roll, attendance register and the original copy of the statement. The Tribunal by its order dated 22-4-1993 disposed of the said application by directing production of muster-roll and in respect of attendance register the concerned workman was directed to issue summon upon one Ananta Kumar Mondal an officer in whose custody such register was kept and for production of the concerned statement in original. It was stated that it may be proved, if at all through the evidence of Shri Bhattacharjee. Mr. Chowdhury accordingly submitted that since the concerned workman has not taken any step to examine Shri A. K. Bhattacharjee that no importance should be given to the document.

10. As stated earlier, Ext. W-1 was admitted in evidence upto objection of the management. It is true that under law of evidence documents are to be proved in original and secondary evidence of any document shall be admissible in evidence under Section 66 of the Evidence Act. It is also equally true that no strict adherence to the laws on evidence is necessary in industrial dispute. More so in this case, when the document itself is not denied by the management in his written statement where it is stated as an inter-departmental communication. As a matter of fact, from the suggestion to the concerned workman in his cross-examination and also from the evidence of the witnesses of the management it will appear that the existence of such a document was never denied. The document was never stated to be fraudulent or manufactured by the concerned workman. The only allegation against this document by the management is that the statement made therein are not correct. Whether or not the statements made therein have been proved to be incorrect is an entirely different matter. The authenticity of the document therefore being never in doubt, no question of discarding the document as submitted by Mr. Chowdhury can arise.

11. Coming to the document Ext. W-1 it appears that the concerned workman had worked for 266 days in 1987 and 244 days in 1988. It is true that this Tribunal disposed of the workman's application for production of documents by stating "I make no order excepting that the concerned statement may be proved, if at all through the evidence of Shri Bhattacharjee." The document being admitted in evidence and the positive case of the management being that the entries made in the said statement are incorrect, it was for the management to prove that it was incorrect. From the evidence of MW-1, Baideo Prosad Singh and MW-2, Ananta Kumar Mondal it appears that Mr. Bhattacharjee is still working in the Calcutta Telephones and his designation is Divisional Engineer. Though Mr. Bhattacharjee was very much available for examination by the mentioned by him in the statement were not correct, still mentioned by him in the statement were not correct, still then, he was not examined by the management. The Tribunal never stated by its order that it was the duty of the workman to summon Mr. Bhattacharjee to prove the correctness of the statement. Instead of Mr. Bhattacharjee the management examined Deputy Area Manager and about Ext. W1 he stated that it is an official document carrying certain incorrect statement in respect of number of days of work of the casual workman. He has not disclosed the source of his knowledge but it may be from ACG-17 vouchers which were not also prepared by him. MW-2, Ananta Kumar Mondal stated that his knowledge about the work of the workman for 93 days only is derived from ACG-17 vouchers and he also stated that the statement of the period of work of the concerned workman as shown in Ext. W1 was not correct. It further appears that to the question posed by the Tribunal that in the even of loss of the those sheet of papers where the alleged attendance of the concerned workman used to be noted and how ACG-17 vouchers and ACE-2 accounts were maintained in respect of the same, the witness had no answer, MW-3 Sukomal Kanti Mazumdar the Accounts Officer of the Calcutta Telephones has stated that he has no idea on the basis of what document ACG-17 vouchers are prepared. He also could not say what amount was paid to the concerned casual labourers in 1988 with reference to the cash book. It should be remembered in this connection that WW1 the concerned workman in his evidence categorically stated that all the ACG-17 vouchers were not produced.

12. Since all the documents concerning the work of the concerned workman were with the management, it was not impossible for the management to produce only some of

such vouchers and accounts books for showing that he had worked only for 93 days in 1987. It was also not impossible for the management not to produce any paper in respect of his alleged work in 1988.

13. To appreciate the fact that it was not unlikely that the management might have withheld some documents, the workman's case vis-a-vis the management's case of keeping loose sheets to note attendance of the casual workmen requires consideration. The concerned workman all along stated that his attendance used to be recorded in the attendance register maintained in the office. It was emphatically denied by the management by stating that the maintenance of attendance register was never in vogue and the ACG-17 vouchers and other accounts used to be maintained on the basis of the loose sheets of paper. No such loose sheets of papers was produced before the Tribunal in support of the management's contention that attendance used to be recorded in such papers. It is also not believable that when number of casual workmen are working in a particular exchange, their attendance would not be registered in attendance register. It may be true that there is no hard and fast rule for maintenance of attendance register but to my mind it is not humanly possible to remember for any officer the dates of the work of these casual workmen. To avoid future troubles in respect of such payment, it is expected that the management, which is a Government industry, should maintain the record of their attendance. I am not therefore inclined to believe that no attendance register used to be maintained and the management's failure to produce such document raises an adverse presumption that had such document been produced that would not have supported the case of the management.

14. Mr. Chowdhury's contention that it was for the workman to prove the correctness of the statements of Ext. W-1 is not acceptable as the document itself proves its correctness. Any part who wants to challenge any entry in any document it was upon it to prove the same. My attention was drawn to the case of Smt. Indra Nehru Gandhi v. Raj Narain, reported in AIR 1975 SC 2299 where it is stated that in the absence of any case about any matter, no presumption against the other party for disproving that case can arise. In the instant case, the workman having made a positive case in respect of the days of work he had worked under the management by proving the statement of very senior officer of the management and that officer being available for examination and the management having taken no step for his examination for proving that the entries in respect of the period of work mentioned in the said statement was prepared by him wrongly, there cannot be any doubt that the best witness to prove the management's case was not examined deliberately. This gives rise to the presumption that had he been examined, he would not have supported the case of the management.

15. From the above statement of evidence on record it is clear that the workman has succeeded in proving that he had worked for 266 days in 1987 and 244 days in 1988 as proved by the statement (Ext. W1) issued by an officer of the management. The workman thus having worked for more than 240 days both in 1987 and in 1988, the management was required to have served the requisite notice as well as compensation as required under Section 25-F of the Act before terminating his service as such termination of service amounts to 'retrenchment' under Section 2(cc) of the Act.

16. Admittedly the management neither served any notice, nor paid any compensation to the concerned workman before terminating his service on 1-1-1989 as required under Section 25-F of the Act. Non-compliance of that statutory provision makes the order of termination illegal, inoperative and void ab-initio. The workman accordingly shall not only be entitled to reinstatement in service from that date but also shall be entitled to all back wages from the same date till his reinstatement as there is no evidence that he had been working elsewhere in the mean time.

17. So, upon consideration of the facts and circumstances of this case as well as positions of law in the matter, I am to hold that the action of the management of Calcutta Telephones in terminating the service of the concerned with effect from 1-1-1989 was neither legal nor justified. The management accordingly is directed to reinstate the

workman in service with effect from 1-1-1989 and pay him all back wages from the said date.

This is my award.
Dated, Calcutta,
The 16th September, 1998.

New Delhi, the 28th September, 1998

S.O. 2100.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Industrial Tribunal, Rourkela as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Central Cattle Breeding Farm, Sambalpur and their workman, which was received by the Central Government on 28-9-1998.

[No. L-42011/74/89-IR (DU)]
K. V. B. UNNY, Desk Officer

ANNEXURE

IN THE COURT OF PRESIDING OFFICER, INDUSTRIAL TRIBUNAL, ROURKELA

Industrial Dispute Case No. 6/97 (C)

Dated, the 1st July, 1998

PRESENT :

Sri R. N. Biswal, LL.M., Presiding Officer,
Industrial Tribunal, Rourkela.

BETWEEN

The Director, Central Cattle Breeding
Farm, Chiplima, P.O. Basantpur,
Sambalpur .. Ist Party

AND

The President, CCB Farm Labour
Union, At Chiplima, Dist. Sambal-
pur-768111 ..IInd Party

APPEARANCES :

For the 1st party—In person.

For the 2nd party—Sri D. P. Nayak, President.

AWARD

The Government of India in Ministry of Labour Department in exercise of their power conferred under clause (d) of sub-section (1) and sub-section 2(A) 2682 GI/98—11

of Section 10 of the Industrial Dispute Act, 1947 have referred the following dispute vide reference No. L-42011/74/89-IR (DU) dated 27-7-90 for adjudication :

“Whether the action of the management of Central Cattle Breeding Farm, Chiplima, P.O. Basantpur, Dist. Sambalpur, Orissa in terminating the services of Sri Nanda Barik, Sri Nila Nag and Sri Mahendra Tandi w.e.f. 24-4-87, 1-11-88 and 1-11-88 respectively is justified ? If not, to what relief the workmen are entitled to ?”

2. The case of the 2nd party workmen, represented through their union in short is that Sri Nanda Barik was first recruited as motor vehicle cleaner vide order dated 30-3-85 for a period of two months. After expiry of two months, he was allowed to continue as such with intermittent breaks till August, 1986. Thereafter he was engaged as a cattle attendant on 25-8-86 and continued as such till he was retrenched from service on 24-4-87. He was again re-engaged on 9-7-88 and was retrenched on 30-11-88. Nila Nag was recruited as unskilled worker in 1980 in the Agricultural section of the 1st party. He was retrenched and re-engaged in several occasions. Thereafter he was transferred from Agricultural section to veterinary section of the 1st party in December '86 where he worked upto 31-3-87 and was retrenched on 1-9-87. He was re-engaged on 1-4-88 and again retrenched on 1-11-1988. Mahendra Tandi was recruited as calf boy attendant on 22-5-87 and was retrenched on 1-11-87. Again he was re-engaged on 1-4-88 and was retrenched on 1-11-88. He was again engaged on 16-2-89 and his services were terminated after few months.

3. All the 2nd party workmen were retrenched without complying the provision u/s 25-N of the I. D. Act, 1947 and without paying any retrenchment compensation. These workmen were retrenched while some of their juniors were allowed to continue in service. As each of the 2nd party workmen worked continuously for 240 days, their services cannot be terminated without complying the provision u/s 25-N of the I. D. Act and rules made thereunder.

4. It is the further case of the 2nd party workmen that they cannot be treated as casual workers since they were doing the same work as regular workers. Hence they pray that the period of break be treated as on duty and they would be reinstated in service with all consequential benefits.

5. The 1st party management in its written statement contended that Central Cattle Breeding Farm, a subordinate office of the Department of Animal Husbandry and Dairying of the Ministry of Agriculture of the Central Government established one of its branches at Chiplima for rearing high pedigreed bulls and cows of Red Sindhi breed which is essentially a Research Institute and not an 'Industry' and as such this tribunal has no jurisdiction to adjudicate upon the dispute.

6. The 2nd party union not being recognised by Ministry of Agriculture of Government of India and

in turn by the 1st party the dispute initiated by its President is not maintainable.

7. The 2nd party workmen having not raised the dispute individually, the present dispute is not maintainable. It is also contended by the 1st party that the 2nd party workmen were not employed against sanctioned posts. They were engaged as semi-skilled or unskilled casual labourers on daily wages basis. At the time of so called termination of the services of the 2nd party workmen, the management had engaged nearly 150 labourers and all were working on 'No work no wage' basis and were paid minimum wages fixed by the Government. As the minimum wages fixed during 1985-86 to 1988-89 ranged only from Rs. 5 to Rs. 7.50 per day, when the labourers were getting work at a higher rate outside they engaged themselves there.

8. It is the specific case of the 1st party management that the 2nd party workman left their services in all occasions voluntarily to do better jobs like tailoring, massonary work etc. So when their services were not terminated by the management, the question of following Sections 25-N or 25-F of the I. D. Act and paying retrenchment compensation does not arise. The 1st party management further specifically pleaded that none of the 2nd party workmen served for 240 days in any calendar year under it. Under all these grounds, the 1st party management prayed to pass the award in its favour.

9. On the basis of above pleadings, the following issues were framed :

I. If the action of the management of Central Cattle Breeding Farm, Chiplima, P.O. Basantpur Dist. Sambalpur, Orissa in terminating the services of Sri Nanda Barik, Sri Nila Nag and Sri Mahendra Tandi w.e.f. 24-4-87, 1-11-88 and 1-11-88 respectively is justified ?

II. To what relief, if any, the workmen are entitled ?

10. It is pertinent to mention here that the 1st party management in its written statement contended that the 1st party establishment is not an 'Industry' as defined u/s. 2(j) of the I. D. Act. Both the parties adduced evidence on this point and advanced argument. But no issue was framed in this regard. So the issue No. III "Whether the 1st party establishment is an 'Industry' is re-cast.

11. Issue No. III—The learned authorised representative of the 1st party drew my attention to Ext. A, the scheme for establishment of Central Cattle Breeding Farms and submitted that the scheme and objectives of the Cattle Breeding Farm of the Ministry of Agriculture Department to Government of India show that the 1st party is not an 'Industry'. The objective of setting up the Central Cattle Breeding Farm as found in Ext. A are :—

(i) Progressive genetic improvement of the herd for milk production by scientific selection and mating system

(ii) testing of bulls to make available proven sires and their use in the cattle development programmes.

(iii) production and distribution of superior bulls for breeding at the Key Village Blocks, ICD projects, A.I. centres etc. and other Cattle Development Projects in the country ;

(iv) production and storage of semen through the technique of deep freezing and its distribution to various State Governments, Union Territories and others engaged in cattle development work for rapid milk production enhancement ;

(v) to preserve superior germ-plasm of indigenous breeds of national importance, so as to make it available for cattle breeding projects ;

(vi) demonstration of scientific breeding & farm management practices to both technical personnel & extension workers and others engaged in cattle development work;

(vii) production and supply of seeds planting material of high yielding varieties of fodder crops in areas around the farms ; and

(viii) to provide a data base for important buffalo breed of high yielding varieties of fodder various State Governments/Institutions for the purpose of developing norms of production and reproduction, management systems, adaptability, etc.

The learned authorised representative of the 1st party submitted that the objectives of establishing the cattle breeding farms in different states and Union territories of India being for welfare and development of indigenous Red Sindhi by scientific research activities and not for any profit, the activities would come under the sovereign function of the State and as such the 1st party cannot be an 'Industry'.

12. As against this, the learned authorised representative of the 2nd party workmen submitted that as found from the record the 1st party management sells Cows, Bulls and milk and earn profits thereby. Ext. 6. the money receipt shows that two cows were sold by the 1st party for a consideration of Rs. 2430. Similarly Ext. 7 shows that on 31-5-89 two Red Sindhi (Female) were sold on auction to one N. C. Panda. It is also found from Ext. 5 that there was a contract between the 1st party management and one Debanarayan Panigrahi for sell of milk by the management to Mr. Panigrahi. The learned authorised representative of the 1st party management, at this stage submitted that Cows, Bulls, milk etc. being by products of the cattle breeding mere sell of the same cannot construe the 1st party as an 'Industry'. In O.J.C. no. 344/85 (Orissa University of Agriculture and Technology and M/s. Gambhaipali Seed Production Farm, Sambalpur Vrs. State of Orissa and others) of our own High Court, the Hon'ble Court held that "..... there cannot be any manner of doubt that the workman who has been appointed in the farm which produces better varieties of seed and the seeds are sold must be held

to be a workmen even if the Farm is attached to the University of Agriculture and technology. Furthermore there is no material to come to the conclusion that the Farm is also an educational institution coming within the exclusion clause 3 of section 2(j) of the Act". In the present case when the 1st party sells milk and improved variety of Red Sindhi cows and bulls, it would come under the definition of 'Industry'.

13. The learned authorised representative appearing for the workmen further submitted that as per the decision "Bangalore Water Supply and Sewerage Board Vs. Rajappa and others" reported in A.I.R. 1978 (S.C.) at page 549 the 1st party establishment is an 'Industry'. As per this decision save & except the sovereign functions all other activities would be covered within the sweep of term 'Industry' as defined under section 2(j) of the I.D. Act. The functions which are carried on by the 1st party cannot be said to be confined to sovereign functions as they carry on commercial activities for profit by selling milk, bulls and cows. So the 1st party is an "Industry".

14. Furthermore, it is found from Ext. 2 and Ext. 3 that the Director I/C of the 1st party applied the Model Standing Orders applicable to all industries against the workers of the 1st party establishment. So when the 1st party management treats the 1st party establishment as an 'Industry', now they cannot say that it is not an 'Industry'. They cannot blow hot & cold in the same breath. Even though the Evidence Act, is not strictly applicable to I.D. Act, still then the admission of the 1st party management coupled with other reasons as mentioned earlier clearly indicate that the 1st party establishment is an 'Industry'. Accordingly this issue is answered in favour of the 2nd party workmen.

15. Issue No. I & II.—The learned authorised representative appearing for the 1st party management submitted that since the dispute is u/s 2-A of the I.D. Act, the case of all the 2nd party workmen cannot be taken up together. Therefore, this case should be dismissed. Section 2-A of the I.D. Act reads as follows :

'Dismissal etc. of an individual workman to be deemed to be an industrial dispute—Where any employer discharges, dismisses, or retrenches or otherwise terminates the services of an individual workman, any dispute or differences between that workman, and his employer connected with, or arising out of such discharge, dismissal or termination, shall be deemed to be an industrial dispute not withstanding with that no other workman nor any union of workmen is a party to the dispute.'

It does not prohibit the raising of dispute by more than one workman conjointly. If the point of determination and the evidence is also the same, a dispute can be raised by more than one workman jointly. In the present case, the point of determination and the evidence in respect of all the 2nd party workmen being same, there is no bar for them to raise the dispute conjointly. The learned authorised representative appearing for the management further

submitted that Sri D. P. Nayak, the president of CCB Farm Labour Union has no right to represent the workmen. In fact the demand for reinstatement was of the concerned workmen though it got projected through their union, so it cannot be said that the dispute was not raised by the 2nd party workmen.

16. The learned authorised representative of the workmen further submitted that since the 1st party management did not comply with the provision as laid down in section 25-F of the I.D. Act, the order of retrenchment is illegal. Section 25-F of the I.D. Act reads as follows :

25-F-Conditions precedent to retrenchment of workmen—No workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until :

- (a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of the notice ;
- (b) the workman has been paid, at the time of retrenchment compensation which shall be equivalent to fifteen days' average pay (for every completed year of continuous service) or any part thereof in excess of six months; and
- (c) notice in the prescribed manner is served on the appropriate Government (or such authority as may be specified by the appropriate Government by notification in the official Gazette.)

Ext. C series show that none of the 2nd party workmen worked for any entire year prior to their termination of service. As per clause 'a', sub-section 2 of section 25-B of the I.D. Act, where a workman is not in continuous service for one year he shall be deemed to be in continuous service for one year under an employer if the workmen during of twelve calendar months preceding the date of his termination has worked for not less than 240 days. Now, it is to be seen whether the 2nd party workmen or any of them have/has worked at least for 240 days preceding the date of their/his termination within a span of twelve calendar months.

17. It transpires from the evidence of W.W. No.1 (Nanda Barik) that he joined as a motor vehicle helper under the 1st party management on 1-4-85 and continued as such till the end of March, 87 whereafter his service was terminated. On the other hand it is found from the evidence of M.W. No. 2 (Director-in-Charge of the 1st party management), that Nanda Barik was engaged for 119 days in the year 1985 & 220 to 226 days in the year 1986 under the 1st party. He was not at all engaged in the year 1987. During his cross examination, this witness admitted that he joined under the 1st party only in June, 90. Previous to that he was never posted

under the 1st party in any capacity. The basis on which he gave the number of days of work performed by W.W. No. 1 is not known. Ext. C, the list relating to the particulars of engagement of the 2nd party workmen prepared by both parties jointly shows that Nanda Barik worked for less than 240 days under the 1st party within 12 calendar months preceding the date of his termination. So it is held that Nanda Barik worked for less than 240 days within twelve calendar months immediately preceding the date of his termination as per reference. It is pertinent to mention here that Nanda Barik has already expired and his wife Bharati Barik has been substituted in his place.

18. On perusal of the evidence of W.W. No. 2 (Nila Nag) it is found that in the year 1980 he was engaged in the agricultural section of the 1st party and worked there for two to three years, whereafter his service was terminated. Again he was engaged in the Agriculture section of the 1st party in Dec. 86, but without any reason, his service was terminated in November, 88 while his juniors were being retained. It transpires from the evidence of M.W. No. 1 that Nila Nag was not working in agriculture section of the 1st party on 31-10-88. The list of particulars of engagement of Nila Nag filed by the 2nd party shows that Nila Nag worked for the entire month of October, 88 under the 1st party. As discussed earlier as per the evidence of Nila Nag himself he was working in the Agriculture section. If in fact he was working in any other section then there was no reason why he would have suppressed it. So the version of M. W. No. 1 that Nila Nag was not working in the Agriculture section on 31-10-1988 cannot be believed. As discussed earlier as per the evidence of Nila Nag he worked under the 1st party from December, 1986 to October, 1988 whereafter his service was terminated. On the other hand it transpires from the evidence of M. W. No. 2 that Nila Nag worked from April, 1988 to October, 1988 which has been corroborated by the list of particulars of engagement of Nila Nag. This list shows that Nila Nag worked for less than 240 days within twelve calendar months preceding the date of his termination. Admittedly the requirements of section 25-F of I. D. Act have not been complied with by the 1st Party. Since neither Nanda Barik nor Nila Nag worked for a continuous period of one year under the 1st party, the latter is not saddled with the liability of sending retrenchment notice or giving retrenchment benefits to them. So the termination of their service cannot be illegal merely because section 25-F was not complied.

19. On perusal of the evidence of W. W. No. 3 (Mahendra Tandi) it is found that he was engaged by the 1st party management in the year 1986 and worked as a calf boy in its Diary section upto the end of October, 1988 whereafter his service was terminated. As against this M. W. No. 2 deposed that Mahendra Tandi worked for 136 days from May to October, 1987 and 205 days from April to October, 1988. As per Ext. C, the list of particular of engagement of the 2nd party workmen Mahendra Tandi worked for more than 240 days within twelve calendar months preceding the date of his termination of service. Since retrenchment notice

and retrenchment compensation were not given to Mahendra Tandi termination of his service is illegal.

20. The learned authorised representative for the 2nd party workman submitted that the 1st party management violated the condition as laid down in section 25-G of the I. D. Act. This section reads as follows :

“25-G : Procedure for retrenchment : Where any workman in an industrial establishment, who is a citizen of India, is to be retrenched and he belongs to a particular category of workmen in that establishment in the absence of any agreement between the employer and the workman in this behalf, the employer shall ordinarily retrench the workman who was the last person to be employed in that category, unless for reasons to be recorded the employer retrenches any other workman.”

The principles “last come, first go” has not been followed in the present case as submitted by the learned authorised representative of the 2nd party workmen. As per this provision, in absence of agreement between the employer and the workman, the employer shall ordinarily retrench the workman who was the last person employed in that category. The employer may retrench a senior workman while retaining a junior one provided the latter has special qualification, but it must be recorded in writing. In the present case, it is found from the evidence of W.W. No. 2, Nila Nag that he was retrenched while his juniors were retained in service. This part of his evidence has not been challenged by the management. So this witness is to be relied upon. There is no any reliable evidence showing that the juniors of the other two 2nd party workmen were retained in service while they were being retrenched. So they cannot reap any benefits from the aforesaid provision. But as regards Nila Nag, his termination is illegal for violation of the provision contained under section 25-G of the I.D. Act.

21. The learned authorised representative of the 1st party management submitted that the 2nd party workmen abandoned their service of their own accord. So non compliance of section 25-F & 25-G of I.D. Act has no consequence.

22. It transpires from the evidence of M.W. No. 1 (Agricultural Fieldman of the 1st party) that he takes attendance of the labourers working under 1st party and allots them duty. Though all the 2nd party workmen were casually engaged, they belonged to the group of regularly attending labourers. He again deposed that there was no refusal of work to any of them. Whenever they did not come and absented themselves from duty they were not engaged. Furthermore, M.W. no. 1 deposed that he did not receive any order from any higher authority either to refuse attendance or allotment of job to any of the 2nd party workmen on any date. During cross-examination this witness admitted that he worked in Agriculture section. He could not say if any of the 2nd party work-

men was working in Agriculture section during the date of their termination. Again it was elicited from him that he did not take the attendance of labourers working in the Diary section. So it can be inferred that he was taking attendance only of the workers working in Agriculture section. Under such circumstances, the part of his evidence where he deposed that there was no refusal of employment to any of the 2nd party workmen and they were not retrenched does not inspire confidence.

23. It is found from the evidence of W.W. no. 4 the Secretary of the 2nd party union that after the termination of service of Nanda Barik when he approached him he went to A.D. Chhabra, the then Director of the 1st party who told that termination of service of Nanda Barik was made by mistake and he would be taken back in service. But he was not taken back. Similarly after the termination of service of Nila Nag & Mahendra Tandi they complained before W.W. no. 4 about their illegal termination. During this time the L.S.O. Mr. Mazumdar was in charge of the Director. So M.W. no. 4 discussed this matter with him. Mr. Mazumdar assured him to take back the two workmen into service. But he did not keep his words. So all these show that none of the 2nd party workmen abandoned service voluntarily.

24. Accordingly it is held that while the termination of service of Nanda Barik is held to be justified, the termination of service of Nila Nag and Mahendra Tandi is held to be not justified.

25. Issue No. II : Bharati Barik, widow of late Nanda Barik is not entitled to any relief. But both Nila Nag and Mahendra Tandi shall be reinstated in service. There is nothing in the evidence on record to show that these two workmen (Nila Nag and Mahendra Tandi) were gainfully employed after their retrenchment. So they are entitled to get back wage also. The services of these two workmen were terminated about 10 years back. So in my view it would meet the ends of justice, if they are paid 50 per cent back wages.

26. Accordingly it is ordered that Nila Nag and Mahendra Tandi shall be reinstated in service with 50 per cent back wages. Parties to bear their own cost. The reference is answered accordingly.

PO : Rourkela-12, Sundergarh ... IInd party

APPEARANCES :

For the Ist party ... Sri S. C. Panda, Manager, LW.

For the IInd party ... Sr. B. S. Pati, Gen. Secretary.

AWARD

The Govt. of India in Ministry of Labour Department in exercise of their power conferred under clause (d) of sub-section (1) and sub-section 2(A) of section 10 of the Industrial Disputes Act, 1947 have referred the following dispute vide reference No. L-29011/33/94-IR (Misc.) dated 10-5-95 for adjudication :

"Whether the action of the management of Balda Palsa Mines of Orissa Mining Corporation Ltd. At/PO : Barbil, Dist : Keonjhar terminating the services of Sri Sukhlal Karua, Sweeper, Majindra Barik, Watchman, Pratap Barik, Watchman, Bhuvan Naik, Carpenter w.e.f. 12-12-91 was justified ? If not, what relief the workmen are entitled to ?"

2. As per the statement of claim of the 2nd party workmen, all of them joined under the 1st party management as casual worker during the year 1989. Later on they worked as temporary workmen till 11-12-91 whereafter their services were terminated without any written order. Subsequent to termination of their services, the 1st party management engaged Dhabaleswar Barik, Gura Karua and Sri Jhadeswar Pallai which is against natural justice. It is the further case of the 2nd party workmen that none of them is gainfully employed. Under these grounds, they prayed to hold that the action of the management is illegal and to direct the 1st party management to reinstate them in service with full back wages and all other consequential benefits.

3. As against this, the 1st party management contended that all the 2nd party workmen were engaged on casual basis to repair road, dig drain and to clear jungles. They were engaged to do such unskilled works, intermittently as per requirement. Their services terminated when the Casual/temporary works were over. They were dis-engaged in the year 1991 but not on 12-12-91 as claimed by the 2nd party workmen.

4. It is the further case of the 1st party management that the 2nd party workmen were not engaged as sweeper, carpenter and watchman as claimed by them. But they were engaged as sundry unskilled workers. The 1st party management specifically denied that Dhabaleswar Barik, Gura Karua & Jhadeswar Pallai were engaged after disengaging the 2nd party workmen.

5. Furthermore, it was contended by the 1st party management that all the 2nd party workmen engage themselves in cultivation in their own land and at times they work in the mines. So it cannot be said that they are not gainfully employed.

6. On the basis of the above pleadings the following two issues were framed :

I. Whether the action of the management in terminating the services of Sri Sukhlal Karua, Sweeper, Majindra Barik, Watchman, Pratap Barik, Watchman, Bhuvan Naik, Carpenter w.e.f. 12-12-91 was justified ?

II. If not, what relief the workmen are entitled to ?

7. To establish their case, the 2nd party workmen examined four witnesses on their behalf while the 1st party management preferred to examine only one witness to establish their stand.

8. Issue No. I.—The learned authorised representative of the 2nd party workmen submitted that since all the 2nd party workmen worked for more than one year, as required w/s 25-F of the I.D. Act, the 1st party management ought have issued one month's notice in writing indicating the reasons for retrenchment or ought have paid wages for the period of notice. The management should have also paid retrenchment compensation to the workmen. Furthermore the 1st party management ought have issued notice in the prescribed manner to the appropriate government. All these having not been complied with, the termination of services of the 2nd party workmen is illegal. Once it is held that the 2nd party workmen were retrenched from service illegally, they ought to be reinstated in service with full back wages. Section 25-F of the I.D. Act reads as follows :

"25-F.—Conditions precedent to retrenchment of workmen—No workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until—

(a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of the notice ;

(b) the workman has been paid, at the time of retrenchment compensation which shall be equivalent to fifteen day's average pay (for every completed year of continuous service) or any part thereof in excess of six months; and

(c) notice in the prescribed manner is served on the appropriate Government (or such authority as may be specified by the appropriate Government by notification in the Official Gazette)."

relief. Accordingly award is passed. Parties to bear their own cost.

AWARD

The Govt. of India in Ministry of Labour Department in exercise of their power conferred under clause (d) of sub-section (1) and sub-section 2(A) of section 10 of the Industrial Dispute Act, 1947 have referred the following dispute vide reference

Order of termination of service of a workman without complying Clause-C will not amount to illegality. But if the requirement of the other two clauses referred above are not complied with the order of termination of service of a workman would be illegal. As per section 25-B (2) a workman is to be deemed to be in continuous service under an employer for a period of one year if he during the period of twelve calendar months preceding the date of his termination has worked for not less than 240 days.

9. It is found from the evidence of W.W. No. 1, Majindra Barik, that he joined under the 1st party management on 7-1-89 and continued to work as such, till 11-12-91 where after his service was terminated. Similarly it is found from the evidence of W.W. 2, Sri Pratap Barik that he joined in service under the 1st party management as a watchman during the year 1989 and worked for about 3 years continuously. Likewise it is found from the evidence of W.W. No. 3 that he joined under the 1st party management as sweeper on 30-5-89 and continued as such till 11-12-91 whereafter his service was terminated. W.W. No. 4 worked under the 1st party for 22 years and took voluntary retirement in Dec. 97. As per his evidence the 2nd party workmen worked under the 1st party management for about two years whereafter they were removed from service verbally.

10. It transpires from the evidence of W.W. No. 1 to 3 that all of them worked for much more than two years under the 1st party management which is contradictory to the evidence of W.W. No. 4. Besides the bare testimony of W.W. No. 1 to 4, there is not a scrap of paper in support of the period of work performed by the 2nd party workmen. On the other hand it transpires from the evidence of M.W. No. 1, who was the Manager of the 1st party management that the 2nd party workmen were working as casual labourers under him. They were cleaning the bush from the stall colony and were doing plantation work. At times they were helping the massons. But none of them have worked for more than 200 days under the 1st party management. It further transpires from his evidence that all casual labourers working under the 1st party management received their wages after putting their signature/L.T.I. against their respective names in the wage sheets, Ext. 1 series. It transpires from Ext. 1 series that none of the 2nd party workmen worked for one year or 240 days within a period of twelve calendar months preceding the date of their termination of service. These documents are to be preferred to the contradictory evidence of W.W. Nos. 1 to 4. Onus lies with the 2nd party workmen to prove that they are entitled to get the benefits of section 25-F of the I.D. Act. But they failed to discharge the onus.

11. The learned authorised representative appearing for the 2nd party workmen submitted that Pratap Barik gives his signature. But in Ext. 1 it has been shown that he has put his L.T.I. So Ext. 1 has been manufactured for the purpose of this case. If one knows how to put his signature that does not mean that he cannot put his L.T.I. If in fact the L.T.I. of Pratap Barik has been forged in Ext. 1, he could have requested the tribunal to send it to finger print expert to prove its genuineness or otherwise. But he has not done so. So the submission of the learned authorised representative of the 2nd party workmen is not tenable. Since the 2nd party workmen failed to prove the conditions of section 25 F of the I.D. Act. In their favour, they cannot reap the benefits of this provision. So it is held that the termination of services of the 2nd party workmen is justified.

12. Issue No. II.—Once it is held that the termination of services of the 2nd party workmen is justified, they are not entitled to any relief.

13. Therefore, under such facts and circumstances, it is held that the action of the 1st party management in terminating the services of the 2nd party workmen w.e.f. 12-12-91 was justified and as such they are not entitled to get any

No. L-29011/11/96-IR (Misc.) dated 23-9-96 for adjudication :

"Whether the closure of the Industrial establishment of Raiboga Limestone and Dolomite Mines at Raiboga, Distt. : Sundergarh from 24-1-1994 to 14-2-94 by M/s. Prasant Enterprises. Contractor is proper and justified ? If so, to what relief the workmen working there are entitled to ?"

2. The case was fixed on 29-6-98 for hearing. Since neither of the parties appeared before this Tribunal on that date, it can be presumed that, at present there is no dispute between them or they have amicably settled the dispute out side the Court in the mean time. Accordingly No Dispute Award is passed. Dictated and corrected by me.
